VCE Unit 4 LITERATURE

Time Allocation

This unit of work will consist of approximately 100 hours of which at least 50 hours will be class time.

To complete this unit of work satisfactorily, students must complete each of the following learning outcomes.

Learning Outcomes

Outcome 1

The student should be able to produce an interpretation of a text using different literary perspectives to inform their view.

Outcome 2

The student should be able to analyse features of texts and develop and justify interpretations of texts.

Assessment Tasks

1. Literary Perspectives

The student is required to produce an interpretation of a text using different literary perspectives to inform their view. The suggested length of written responses is approximately 800–1200 words.

Weighting: This task is worth 50% of the overall grade

Time allocated to task: one period

Due: Term 3, Week 9

2. Close analysis

The student is required to analyse features of texts and develop and justify interpretations of texts. There are two analysis tasks in this area of Assessment. The suggested length of each written responses is approximately 800–1000 words.

Weighting: Task 1 is worth 25% of the overall grade. Task 2 is worth 25% of the overall grade. Therefore, 50% of the overall grade in total.

Time allocated to task: one period

Due: Term 4, Week 1

3. End of Year Examination

The student is required to apply knowledge and understanding of Literary Perspectives and Analysis

Weighting: This task is worth 50% of the overall grade

Time allocated to task: 135 minutes

Due: Unit 4 VCAA Written Examinations commence Term 4, Week 4 from 1/11/2017

Unit 4 Performance and Language Oral Examinations commence from 9/10/2017
